35. Planning

Pre Planning Consultation Amity re: land at Surgeon Street. Previous Planning

Records: There was planning for 13 Dwellings approved Ref: W20633 date 03.07.2012

Removal of clauses Ref: W35909 01.08.2017. Drainage Request Withdrawn Ref: W/ 39587 - 7/10/2019.

LDP 2021-2033 - Projected No. Of dwellings on this site 13. The Council has received 11 e-mails from local residents concerned about the development. The main points of concern were collated and each one discussed and found to be valid concerns which the Council decided to include in its response to Amity. Each Councillor present was given the opportunity to speak on the matter. County Councillor Bryan Davies spoke to the meeting about the Local Authority's Local Letting Policy and clarified the term Affordable Housing and explained that the 22 affordable homes in the plan were allocated as affordable to rent. Following the discussion the Council decided that the original planning permission for 13 dwellings is generally considered acceptable, provided that the necessary infrastructure upgrades are carried out prior to any works commencing to support the new construction and to handle the increased demand from the anticipated

new residents i.e. improving roads, sewerage system, increasing water and sewage capacity, upgrading the local sewage processing plant. Cynwyl Elfed Community Council decided to object to the proposal for 31 dwellings on the site at the end of Surgeon Street, and has decided to fully align itself with the concerns raised regarding the proposed development. Some of the e-mails objecting to the development and stating observations and concerns include strain on the infrastructure, impact on the community, unacceptable scale and impact on the environment. The Council decided to respond to Amity Planning Consultants with its decision.

Cllr. Aled Jones proposed that the Council hold a Public Meeting this was seconded by Cllr. Robin Bowen. The Council decided to book the hall for a Public Meeting to be held on 30.07.25. It is expected that by 30.07.25 Amity will have published the responses from various agencies, including Dŵr Cymru to their consultation which ended 18.07.25. It is unlikely that the Local Authority Consultation and the formal application for planning will be received by this time, however the Council is aware that there will only be a window of three weeks from receipt of the Local Authority Consultation Letter to view the plans, discuss and respond to the Consultation Letter before the closing date and anticipates the need to arrange a further meeting at that time.

The Council decided that the clerk is to write to Dŵr Cymru for information regarding the current situation in Cynwyl Elfed and also take into consideration all proposed planning projects anticipated in the next few years in the village which will impact the current infrastructure.

It was also decided that the clerk is to obtain a copy of ATEB's Welsh Language Policy.

PL/09519 - Agricultural Shed Penffynnon, Cynwyl Elfed SA33 6UP -noted. On weekly planning list -has not gone to consultation yet.

PL/09491 -Proposed removal of existing kitchen, lobby and attached garage and replace with new kitchen / dining room extension complete with new utility and w/c to rear and new entrance porch to front and all associated works- Bryn Villa, Cynwyl Elfed SA33 6TE - The Council decided to support this application.
